

## **National Concierge**

Black Pearl Concierge is based in Washington, DC, and is a member of a unique network of service providers with clients globally. The benefit of this network expands our service capabilities, enhancing our local service offerings to our clients. So, no matter where you are, our concierges are standing by.

## **Time Management**

We know how hard it is to find the time to meet all the responsibilities of work, home, and family. After all, there are only 24 hours in a day! And if you're like many people, the demands on your precious time often exceed the time you have available. Contact us to learn more about how we can assist you in managing your time, so you can focus on what is important to you.

## **Making Arrangements for Special Occasions**

Black Pearl Concierge helped a member to make his secret wedding proposal plans especially memorable by arranging a scavenger hunt around the Nation's Capital for his fiancé, which included limousine service, secret taped messages, dinner and special accommodations. Of course it was sealed with an unforgettable "YES!".

## **Shopping for Gifts and Hard-to-Find Items**

Black Pearl Concierge was able to locate a hard-to-find video game console just in time for the 12<sup>th</sup> birthday of a member's son- in a city 500 miles away.

## **Taking Care of Your Home**

Black Pearl Concierge found a house painter to paint a member's vacation home, helping select the color, as well as ensuring the job was completed by the date the member specified.
